## 2011 Spielman Gridiron Classic Game 9.16.11

Chris Spielman, former Ohio State University and Detroit Lions linebacker, and the Stefanie Spielman Fund for Breast Cancer Research at The James Cancer Hospital and the Solove Research Institute have teamed up with Ohio Sports Classics, LLC, The Ohio Fellowship of Christian Athletes, The U.S. Army and Buffalo Wild Wings to present this year's Spielman Gridiron Classic IV.

Chris Spielman said, "I am so excited that Grove City Christian High School is participating in this year's event. Last year was a huge success and we hope to make this year's Classic even bigger by holding games all across Ohio. Together, We Will Win!"

The Athletic Boosters are selling pink Spielman Gridiron Classic IV T-Shirts, Rally Towels as well as hold a silent auction to win a special edition Chris Spielman Autographed Football Jersey and Spielman Gridiron Classic IV Football.

All of the money raised by the Athletic Boosters will be split equally between the Athletic Boosters and the Stefanie Spielman Fund for Breast Cancer Research at the James Cancer Hospital and Solove Research Institute. Tom Roark said this game is a Win-Win for both our school's athletic programs and finding a cure for Breast Cancer!

The game also plans to honor all local cancer survivors at Half-Time with a special audio message from Chris Spielman. Following the game a representative from the Spielman Gridiron Classic will award the "Champions" trophy to the Winning Team, as well as "Most Valuable Player" and "Runner-Up" trophies".
