

Grove City Christian High School opened in 1999, and our first group of graduates matriculated in 2003 with a group of 27 students. Our high school students are given a broad array of opportunities to explore. The school offers a variety of sports programs, musical venues, and ministry opportunities to challenge students and to teach them to serve others.

Our mission at Grove City Christian School is to **“cultivate quality Christian leaders in a distinctively Christian atmosphere while providing a solid spiritual and academic foundation.”** Our faculty is committed to encouraging excellence in the classroom and in fostering Christian standards in our students. Smaller class sizes afford our teachers the opportunity to work more closely with our students and to build a rapport that allows them to encourage, mold and teach in a personal yet professional setting. Weekly chapels, an invigorating series of Bible classes, and faculty who teach from a Biblical worldview help students to seek and to know God.

Students are encouraged to lead in all facets of the school: student government, chapel, school newspaper, etc. Students are also encouraged to minister to those in our community and churches, as well as those less fortunate around the world.

The faculty at Grove City Christian School strives to challenge our students academically. Our classes are geared toward college preparatory. We also offer AP classes in English Literature, Calculus, Psychology, History, Biology, and Physics. These AP classes allow students to take college-level courses on campus and have the potential to earn college credit.

In addition to the learning that occurs within the classroom, our students have participated and won local prizes in the VFW Voice of Democracy Speech Contest, the John Phillip Sousa Award, and the Arion Award.

Students graduating from GCCS are accepted into a wide variety of colleges and universities. Additionally, the Class of 2009 received over \$2.3 million in scholarships to attend schools all over the world. The school sponsors a Job Shadowing Program that provides sophomores the opportunity to partner with local hospitals, professionals, and businesses in order to experience a particular profession.

Below are the requirements for high school graduation. For more information, please speak with the high school principal or our guidance counselor.

### **GRADUATION REQUIREMENTS**

To earn a GCCS diploma, students must successfully complete all 5 sections of the Ohio Graduation Tests and a minimum of 25 credits including:

- 4 years of English
- 4 years of Math
- 3 years of Science
- 3 years of Social Studies
- 4 years of Bible (1 for each year enrolled at GCCS)
- ½ credit of physical education
- ½ credit of health
- 6 credits of electives of which 2 must be of the same foreign language
- 70 hours of community service

Also, students who wish further academic distinction can earn an honors diploma by meeting a more rigorous set of requirements.

Most of our graduates exceed graduation requirements for the State of Ohio and proceed to college with a firm Christ-centered education.
