BIBLICAL TRAINING

It is the desire of the Grove City Christian School to assist parents with the privilege of training their son/daughter as directed by God in Proverbs 22:6, "Train a child in the way he should go, and when he is old he will not turn from it".

During the school year, your son/daughter will spend a large part of his/her day being taught, guided, disciplined and nurtured by teachers. Christian school educators take very seriously the responsibility for training students during school hours as parent representatives. It is important that prompt regular school attendance is established and continued throughout the educational process. In addition, the home and school together should expect from each student good, consistent academic effort.

The purpose of discipline is to correct and bring about needed change in behavior, attitudes, or specific situations. Discipline is a necessary and integral part of the training process. Your student will learn accountability for his/her actions and learn there are consequences for choices made.

Various consequences are used in the process of that training at Grove City Christian School. Most discipline situations are evaluated and decisions are made on an individual basis by considering the specific circumstances, the student, frequency of the action, and other related information. Loss of privileges, detention, in school or out of school suspension, and expulsion are examples of some methods of discipline used.

It is our conviction that training your student is easier and more effective when there is biblical consistency in the home and school. Some of the biblical instructions for parents concerning the training and discipline are:

"Listen, my son, to your father's instruction and do not forsake your mother's teaching".

Proverbs 1:8

"My son, do not despise the Lord's discipline and do not resent His rebuke, because the Lord disciplines those He loves, as a father the son he delights in".

Proverbs 3:11-12

"Wisdom is found on the lips of the discerning, but a rod is for the back of him who lacks judgment".

Proverbs 10:13

"He who spares the rod hates his son, but he who loves him is careful to discipline him".

Proverbs 13:24

"And you have forgotten that word of encouragement that addresses you as sons: "My son, do not make light of the Lord's discipline, and do not lose heart when he rebukes you".

Hebrews 12:5
