Alma Mater
Words and Music by Kathy Frizzell**

Like a beacon in the night,
Like a path to show the way,
Like a strong and sure foundation
Of a house that's built to stay-
Stands a place that I will honor
As I journey past my youth
And forever I'll remember
As a seeker of the truth.

So let this mind be in us
Which was also in Christ Jesus,
Let this heart beat in us
That for man gave itself to die,
Let these hands serve the world
With the knowledge you have taught us,
May the lives we live
Be the thanks we give you,
Grove City Christian High!

**Grove City Christian School Fight Song

Onward Eagles, onward Eagles
Mighty Black and Blue
We are the best, above all the rest
To the Word of God we're true.
Onward Eagles, onward Eagles
Soar to heights on high
There's no doubt about it, we're gonna shout it
The Eagles battle cry!
Go Eagles!!

GROVE CITY CHRISTIAN SCHOOL

History

Grove City Christian School (GCCS) was founded in 1990 as a ministry of the Grove City Church of the Nazarene. The school received its charter from the Ohio Department of Education, with 15 kindergarten students.

Purpose

The purpose of GCCS is to provide our students with the best possible education from caring and qualified teachers in a distinctively Christian atmosphere. We are committed to helping reinforce parental efforts and meet educational goals while training children. The school provides curriculum, activities, and materials centered in and upon the eternal principles of God's Word and the life and revelation of His Son, Jesus Christ.

GCCS is open to families who desire their children learn and grow in harmony with the Word of God. We believe that it is our responsibility and calling to give each student the opportunity to accept Christ as his or her personal Savior, and nurture their spiritual and academic growth throughout their schooling experience. It is our desire to raise up a generation of leaders ready to contribute in today's world without compromising their values and faith.

"The world and its desires pass away, but the man who does the will of God lives forever." I John 2:17 (NIV)

Philosophy

Grove City Christian School is in existence to work with parents in fulfilling the responsibility to train their children to be men and women of Godly character with obedient hearts. Our goal is to equip our students in all areas of their life (spiritually, academically, socially, and emotionally), to follow God's will for their life no matter what direction they may be led.

"My son, if you accept my words and store up my commands within you, turning your ear to wisdom and applying your heart to understanding, and if you look for it as for silver and search for it as hidden treasure, then you will understand the fear of the Lord and find the knowledge of God. For the Lord gives wisdom and from His mouth comes knowledge and understanding."
Proverbs 2:1-6

Non-Discriminatory Policy

The Grove City Christian School Board has adopted the following racial non-discriminatory policy.

"Grove City Christian School admits students of any race, color, or ethnic origin to all the rights, privileges, programs, and activities. In addition, the school will not discriminate on the basis of race, color, or ethnic origin in the administration of its educational policies, tuition assistance, educational programs and athletics/extracurricular activities. The Grove City Christian School will not discriminate on the basis of race, color, or ethnic origin in the hiring of its certified or non-certified personnel."

Statement of Faith

Grove City Christian School serves students from many denominational backgrounds. We do this by respecting the doctrinal issues of other denominations without compromising the faith and belief of the Nazarene church.

We, the fellowship of the Grove City Church of the Nazarene believe in one God – the Father, Son and Holy Spirit. (Genesis 1; Isaiah 5:16; 6:1-7; 40:18-31; Matthew 3:16-17; 28:19-20)

We believe that the Old and New Testament Scriptures, given by plenary inspiration, contain all truth necessary to faith and Christian living. (Luke 24:44-47; John 10:35; 1 Corinthians 15:3-4, 2 Timothy 3:15-17)

We believe that man is born with a fallen nature, and is, therefore, inclined to evil, and that continually. (Matthew 22:36-40 (with 1 John 3:4); Romans 3:23)

We believe that the finally impenitent are hopelessly and eternally lost. (Ezekiel 18:25-26, John 1:12-13, Acts 5:31, Romans 5:6-8)

We believe that the atonement through Jesus Christ is for the whole human race; and that whosoever repents and believes on the Lord Jesus Christ is justified and regenerated and saved from the dominion of sin. (Isaiah 53:5-6, Mark 10:45, Luke 24:46-48, John 1:29, John 3:14-17)

We believe that believers are to be sanctified wholly, subsequent to regeneration, through faith in the Lord Jesus Christ. (Jeremiah 31:31-34; Ezekiel 36:25-27; Matthew 3:11-12; Romans 6:11-13)

We believe that the Holy Spirit bears witness to the new birth, and also to the entire sanctification of believers, (Jeremiah 31:31-34; Ezekiel 36:25-27; Luke 3:16-17; Acts 1:5, 2:1-4; Acts 5:8-9)

We believe that our Lord will return, the dead will be raised, and the final judgment will take place. (Matthew 25:31-46; John 14:1-3, Acts 1:9-11; Revelation 1:7-8, 22:7-20)

3. Students who self-administer (carry on their person) asthma inhalers, Epi pens, etc. must have the medication authorization form completed by their

School Visitors

Parents may visit the school at anytime. Please report to the receptionist's desk for a visitor's pass. School aged visitors are not permitted to attend school, including lunch, in the company of a student. Prospective students may make arrangements to shadow a high school student by contacting the high school office.

Restricted Areas

For the safety of all, the following rooms are restricted to authorized personnel only: Mechanical areas (i.e. HVAC rooms, electrical rooms, storage and supply rooms), and school workrooms. Students are not to visit the book store, church offices, food court or church facility without a pass from a school faculty or staff member during school hours.

STUDENT ATTENDANCE REGULATIONS

Section 3321.04 of the Ohio Revised Code provides that every parent, guardian, or other person having charge of any child of compulsory school age must send such child to a school which conforms to the minimum standards prescribed by the State Board of Education for the time the school attended is in session. The statutes governing school attendance are very specific and leave little option for school authorities to excuse children from school. The Ohio Revised Code classifies absence from school as excused or unexcused.

School Day

Grove City Christian School begins at 8:25 a.m. and dismisses at 3:25 p.m. for students in grades 5-6. In accordance with Ohio Department of Education Operating Standards the school day for students in grades five and six shall consist of school supervised activities (excluding interscholastic athletics) or approved education of at least five and one-half hours excluding the lunch period.

Reporting an Absence

Please call 875-3000 to report an absence. A follow-up note must be sent within two days of the student returning to school. **Without a dated written statement from the parent, doctor or court officer, the absence will be considered truant and the work may not be given credit.**

Absences

- It is the student's responsibility to get work from the teachers. Assignments and quizzes/tests missed because of absences shall be made up within a period of time equal to the same amount of school time missed.
- Students arriving after 10:00 or leaving before 2:00 will be counted with a half-day absence. Students missing 7 days, excused or unexcused per semester (14 per year) will result in a mandatory parent conference
- Students missing 10 days, excused or unexcused per semester (20 days per year) will result in Academic Probation (individualized contract made with each student with parents and principal.)
- **Students missing 12 days, excused or unexcused in the same semester (24 days per year) may result in the student failing the class.**

Administration reserves the right to extend the absence count based on extreme circumstances.

Tardiness to School and Class

Students that arrive late to school will be counted tardy. Four (4) tardies per quarter will convert to one unexcused absence. Tardies for doctor and dentist visits will not be counted against the student if it is verified by a written excuse from the physician or dentist.

Family Vacations

Grove City Christian School strongly encourages families to schedule vacations and trips around the school calendar. If a family decides to take a vacation during the school year, the vacation form (found in the appendix) must be submitted to the school office prior to the vacation so that teachers will have missed work ready upon the student's return. No work will be given early.

Truancy

Any student who is absent from school/class without his/her parent / legal guardian's permission or is absent from an assigned area within the school is considered truant.

Sickness

Students displaying any of the following symptoms are **not** permitted to attend school:

- A temperature of 100 degrees or more (or one to two degrees above the child's normal temperature with or without symptoms)
- Undiagnosed rash with other symptoms (i.e. fever, cough, sore throat, etc.)
- Vomiting or diarrhea
- Persistent cough
- Known communicable diseases (including but not limited to, lice, chicken pox, strep throat, measles, mumps, pink eye, fifth disease, ringworm, or scabies)

If your student is diagnosed with a communicable disease, please call the school office so we may alert other parents of potential risks. Students must be without a fever for 24 hours before they return to school. Please encourage your child to practice good hand washing at school, especially before lunch, to help protect them from the spread of infection.

Illness at School

If a student becomes ill at school, the teacher will send the student to the school nurse / office with a written pass. The school nurse / office team will then assess the student and contact a parent listed on the emergency medical form. No student will be released from school without direct contact with a person listed on the student's medical form.

Early Dismissal

All Intermediate School students must have a parent or guardian sign him/her out in the school office before leaving the building.

STUDENT CONDUCT

The standard for student conduct has been developed to insure that a Christ-centered environment permeates the learning atmosphere of Grove City Christian School. Students at the school should be aware of the principles of Christian living that are found in the Bible. The standard of conduct gives students an opportunity for expression and application of these principles in daily experience. Every member of the school family, students, and staff alike must abide by the following:

- Be doers of the Word and not merely hearers (James 1:22)
- Imitate the conduct of the Lord Jesus (I Peter 2:21)
- Do only those things, which we know, will honor and glorify Christ (I Cor. 10:31)
- See our physical bodies as temples of the Holy Spirit (1Cor. 6:19)
- Dedicate our lives to the service of the Lord (Romans 12:1-2)
- Manage our time wisely (Colossians 4:5)
- Put others first, rather than ourselves (Romans 14:13)
- Involve ourselves in activities of positive influence (I Cor. 6:12)
- Avoid deliberate confrontations with temptation (James 1:14)
- Avoid activities where there is danger of addiction (I Cor. 6:12)

All students are expected to be respectful and courteous to others at all times. This is exhibited by orderliness, cooperation, quietness, polite conversation (including the use of “please” and “thank you”) and proper response to correction. Students will address teachers and staff members as Mr., Mrs., Dr., Miss, or Ms. on all occasions.

In addition to inappropriate behavior at school, student misconduct outside of school hours and off of school property will be addressed and may result in disciplinary action if it adversely affects the school community.

Student Rewards

Throughout the school year various types of rewards will be given to students who have good grades and exemplify a Christ-like attitude toward teachers, parents, administration, and other students. This will include (but not limited to) class parties, non-uniform days, special treats, and time in the Naz Cade.

Problem Resolution

If a problem arises with a teacher, the following process is to be utilized:

- Parents contact the involved teacher to resolve the issue
- If no resolution, parents contact the school principal
- If still no resolution, parents contact the GCCS School Board. The School Board Grievance Committee will meet as needed for final resolution.

Discipline Policy

Intermediate school students will be disciplined with age appropriate consequences. In the Intermediate School each teacher will follow a classroom management policy that will be explained to the students at the beginning of the year. Repeated disobedience, or attitudes or behavior which is not in harmony with Christian principles or school rules will be addressed by the following leveled approaches:

1. Verbal redirection
2. Loss of privileges
3. Notifying parents of behavior (written or verbal notice)
4. Loss of activity period
5. Removal from class and sent to the office
6. Conference with parents
7. Restitution (pay for damages)
8. Suspension – In-School or Out-of-School
9. Probation
10. Withdrawal or Expulsion

There are four levels to the discipline policy. Disciplinary measures will be as follows:

Level 1 - Minor Offense: Parents notified, students lose activity period or other privilege.

Level 2 - Intermediate Offense: Parent Conference and In School suspension for first time offenders. Repeated offenses (of the same offense) will graduate the student to the next level of punishment.

Level 3 - Major Offense: Out-of-School suspension. Repeated infractions (of the same offense) will graduate the student to the next level of punishment.

Level 4 - Zero Tolerance: Students may be expelled

Level One Offenses

Level One offenses include, but are not limited to:

1. Dress code violations
2. Classroom disruptions or interference with classroom activity
3. Repeatedly coming unprepared to class
4. Misusing a hall pass or not having a hall pass when necessary
5. Inappropriate behavior in Chapel or other assemblies

6. Failing to use appropriate school entrances and exits
7. Food or beverage outside of lunchroom

Level Two Offenses

We are committed to protecting our students from such things as gang behavior, bullying, cheating, profanity, etc. Level two offenses will result in a parent conference and an in-school suspension.

Level two offenses include, but are not limited to:

1. Bullying
2. Fighting
3. Cheating
4. Public displays of affection
5. Misuse of technology or any equipment in the church/school
6. Inappropriate language including profanity, racial slurs, sexual innuendo, etc.
7. Lying or false witness
8. Disrespect to others: teachers, staff, coaches, parents, and students
9. Using an electronic device during school hours.

Level Three Offenses

Level three offenses may result in immediate suspension and/or expulsion. The number of days will be determined by the administration. Many of these offenses are punishable by the law. If necessary, law enforcement will be brought in to determine if charges need to be filed.

Level Three offenses include, but are not limited to:

1. Sexual contact with another
2. Theft
3. Aggressive acts, gestures or verbal threats directed at others
4. Insubordination (Failure to accept discipline or punishment)

7. Inappropriate use of janitorial cleaning or disinfectant supplies
8. Truancy
9. Possession of tobacco or related products

Level Four Offenses – Zero Tolerance

Level Four offenses include, but are not limited to:

1. Acts of arson
2. Possession, use, and/or transmission of dangerous weapons (i.e.: guns, knives, mace, pepper spray, etc.)
3. Physical violence/assault
4. Attempt to incite panic (i.e. bomb threats, reporting a false emergency, etc.)

5. Possession, use and/or transmission of any pornographic materials

Suspensions

When a student is assigned an **in-school suspension**, he/she will be assigned to a specific location within the school to report for the regular school day. Students will receive 50% of the earned grade for homework completed during an in-school suspension. Missed tests and quizzes can be taken for full credit.

A student assigned an **out-of-school suspension** may not be on school grounds during the period of suspension. Students are expected to make up all homework and will receive 50% of the grade earned. Missed tests and quizzes will be valued at 60% of the grade earned. If a student receives two out of school suspensions, parents and students will meet with the school principal to enter into a contractual agreement concerning the terms of their ability to remain at the school. Breaking this contract will result in immediate dismissal.

When a student is assigned a suspension (in or out-of-school) they will be considered absent for the number of days suspended. Additionally, students assigned a suspension are not permitted to participate in extra-curricular school activities during the suspension period.

Internet Access

Most of the computers in the school have internet access or capability to have internet access. A history is recorded of all sites visited at each computer. Any student who chooses to visit sites pertaining to gambling, sexually oriented material, cult-oriented sites (i.e. fortune telling), or non-approved games will be immediately suspended from using the computers. This suspension from the computer lab may last the entire school year. If a student accidentally stumbles across an inappropriate site, it is the responsibility of the student to immediately summon a teacher for assistance.

Internet access will be closely monitored. Students visiting internet sites that would be considered controversial will lose all internet privileges.

Drug and Alcohol Policy

Grove City Christian School students shall not possess, use, sell, give or otherwise transmit or be under the influence of any drug or alcohol or related paraphernalia on school property or at school sponsored events. All items will be confiscated and immediate suspension will occur. Proper authorities will be notified.

Textbook and Property Damage

At the beginning of each school year, each student will be issued all textbooks and supplemental material needed to complete his or her coursework. All non-consumable textbooks must be covered. Students will be charged for the replace-

ment of any book that is lost or damaged. Any student who chooses to destroy school/church property will be charged for the repair and/or replacement of such property. Destruction of property can lead to expulsion from GCCS.

ACADEMIC INFORMATION

Grove City Christian School exceeds the requirements set forth by the State Board of Education and is chartered by the State of Ohio. Grove City Christian School is also a member of the Association of Christian Schools International.

The academic program is designed to help the students achieve a solid foundation in all subject areas. Along with the acquisition of facts and concepts in the areas studied, emphasis is placed upon development and exercise of the powers of reasoning. Methods of teaching proven to be effective are utilized, along with a constant influx of new material. Since children differ in innate ability, we encourage and expect each student to do his or her best. We believe the traditional system of education develops the mind and builds character.

In keeping with an environment that promotes honesty and integrity, academic dishonesty is a serious offense.

Students are expected to do their own work in and out of class. All assignments, projects, tests, quizzes, and exams are designed to assess students' understanding and any action that compromises that assessment is academic dishonesty. The following are examples of what GCCS considers academic dishonesty:

- 1) To copy any part of another's test, quiz, homework, project, worksheet or report.
- 2) To use or turn in another person's work in part or in entirety.
- 3) To use or appear to look at review sheets, notes, or any other Information not permitted during tests, quizzes or exams.
- 4) Not following directions given by the teacher such as using a calculator or other materials instructed not to use.
- 5) Any communication with another student during a test, quiz or exam or about a quiz, test or exam that they have already taken.
- 6) Plagiarize or use the ideas and/or writing of another without giving credit to the original author. The only information that can be used without documenting the source is information that would be considered common knowledge such as George Washington was the first president of the United States.
- 7) Using an electronic device to store or communicate information to be used while taking a test, quiz or exam.
- 8) Using any of the above methods to assist another in being dishonest academically.

Usually students who are involved in academic dishonesty will receive a zero on the assignment or test and may be suspended.

Homework

Completing homework is helpful for practicing and reinforcing skills or concepts being taught. It is important that each student completes his or her assigned work. It is also important that the work is brought to class the day and time it is due. In an effort to support the teaching of responsibility, students will not be allowed to call home for forgotten homework.

Homework assignments turned in one day late will receive a 50% deduction from the earned grade. Homework turned in more than one day late will receive a zero.

Project Policy

Since projects are completed over an extended period of time, proper planning is essential to success. There is no excuse for projects to be turned in late. If a student is absent the day a project is due, the project must still be brought to school and turned in on time.

Projects one day late – 20% grade reduction

Projects two days late – 40% grade reduction

Projects three days late – zero score

Test Policy

If a student is absent on the day a test is given, the student is expected to make it up when he/she returns to school. If a student is absent a day of review, and returns to school on the day of the test, the student is expected to take the test unless new information was reviewed in the classroom on the date the student was absent.

Evaluating Student Progress

Grades serve as a written record to inform others of the student's progress in each course. Grades are important and permanent. Records follow the student if he/she transfers to another school.

Teachers use various methods to assess grades, including regular homework, quizzes, tests, attendance, reports, projects, oral presentations, demonstrations, recitations, attitude, and classroom behavior. All work is converted to percentages. To determine the nine-week grade, the following grading scale will be used:

A+	100 – 97	C+	79 – 77	F	59 - 0
A	96 – 93	C	76 – 73		
A-	92 – 90	C-	72 – 70		
B+	89 – 87	D+	69 – 67		
B	86 – 83	D	66 – 63		
B-	82 – 80	D-	62 - 60		

Progress Reports

Progress Reports will be mailed to parents at the completion of every nine weeks. Parents are strongly encouraged to monitor their student(s) progress through RenWeb. Interim status will be available to the parents of students in the middle of each nine-week grading period. Parents are always encouraged to ask questions and monitor the educational success of their students.

Honor Roll

Honor Roll recognition is received each nine week grading period as follows:

- All A's Every class must be greater than or equal to 90%
- A's and B's Every class must be greater than or equal to 80%

Retention Policy

Intermediate School students who fail a class in a core subject (math, literature, language arts, Bible, social studies and science) must repeat the grade level.

Incomplete Grade

A student with an excused absence who has not made up work during a nine-week grading period is to receive an Incomplete (I) on his/her grade card. Failure to make up the work in the specified time period could result in a zero being given for all missed work and the nine week grade changed from an Incomplete to the appropriate letter grade earned. A student must comply with all course requirements to receive credit.

STUDENT ACTIVITIES

There are many opportunities to get involved at Grove City Christian School and at the Grove City Church of the Nazarene. The church has programs for pre-school through high school. Active Jr. High and High School Youth Groups meet at the church. Call the church office for more information at 875-2551.

STUDENT TRIPS

In an effort to provide the safest possible environment for the students of GCCS, this policy for student trips will be enforced on any and all trips that require students to be away from the property located at 4770 Hoover Road, Grove City, Ohio.

Any trip taken away from the school is a privilege, not a right, and students are required to represent our school, as well as our Lord, in a responsible and Christ-like manner. This privilege can be revoked as a disciplinary measure if deemed necessary by school administration.

- A representative from the school (teacher, board member, principal, administrator, coach) must accompany the group to represent the school and to be responsible for appropriateness of all decisions concerning the students while away from GCCS.
- School administration must approve all trip destinations and itineraries before students are allowed to select any desired trip and before any deposits are made. The Senior Trip location and Spring Break EFT Tour location require GCCS board approval.
- Parents must agree and sign all forms relevant to the cost of trip, chaperone/student rules and expectations, medical release forms, and any other forms deemed necessary by the school before student will be accepted to attend trip.
- All chaperones must be approved by the school administration and must follow all written and implied rules of conduct that are expected of an adult accompanying a Christian school student group.
- All rules for conduct and student dress held within the GCCS Middle/High School Handbook and the GCCS Athletic Handbook must be adhered to on any school-sponsored trip.
- Students must sign an "expected behavior" form. They will then be held accountable for their behavior on the trip at the risk of being sent home at parent's expense if they ignore the expectations.
- The school may not fund chaperones' trips, and chaperones should not expect fundraising efforts to benefit them. They will be fully responsible for their own expenses.
- All fundraising ideas must be approved by school administration.
- Parents are ultimately responsible for all expenses for their child if the fundraising efforts fall short of the goal.

- GCCS will not be responsible for any expenses incurred as a result of or by the trip unless prior approval by school administration has been obtained.
- For overnight trips, one parent will be required to stay in every hotel room with a reasonable number of students. (This may change with EF tours as per their regulations). Women must stay with girls, and men must stay with boys. The chaperone in charge will determine a designated “lights out” time. After that time, no one is to leave the room, and televisions are to remain off.
- Any television or movie watched in the room must be rated PG or G.
- Siblings are discouraged from accompanying student participants during off-campus activities. Those siblings who travel with parents must stay with parents at all times. They will not be included in outing activities.
- Boys are not permitted in girls’ rooms and vice versa. This will not be tolerated and could result in a student/students being sent home immediately. Even siblings must adhere to this rule.
- No alcohol/tobacco is to be used by chaperones or students.
- No public displays of affection (i.e. holding hands, kissing, hugging, etc.)
- If parents are going to be required to transport any child from GCCS, a school administrator, teacher, or school board member must grant approval. Upon parental agreement to transport GCCS students, that parent has therein given his/her express approval to abide by all rules herein stated. Written permission must be obtained from the parent if a non-custodial person wishes to take another child in their vehicle.
- Chaperones have the right to confiscate any materials students bring on the trip that they deem inappropriate for a Christian school group.
- GCCS students must ride in the transportation provided by the school unless prior written permission has been given to GCCS administration outlining the details of alternate transportation. Only the custodial parent will be allowed to remove his/her child from any trip to his/her own vehicle (e.g. away sporting events.)

RIGHT TO REVISE

Grove City Christian School reserves the right to revise all or any portion of the contents of this handbook at any time with or without prior notice. If revisions are made, a written notice will be given to students enrolled at GCCS.

**GROVE CITY CHRISTIAN SCHOOL
VACATION POLICY FORM**

Many times a family may choose to remove their children from school to participate in family vacations. Time with the family is valued, please consider that some students are unable to recuperate from an extended absence outside of the classroom.

Classroom learning can not be duplicated with worksheets and reading assignments. The hands-on application, question and answer sessions, and the oral communication is invaluable when learning new concepts.

As children grow older, the skills that are being taught in the classroom become more complex. Many times, parents are unable to explain some of the concepts and students miss out on the opportunity of classroom discussions. Therefore, we ask that you prayerfully consider all of the consequences before pulling your student out of school for vacations.

If you choose to take a vacation during the school year, please understand that the following policy has been implemented to help manage the time of our teachers and not infringe on classroom instruction.

_____ will be leaving school on _____ and returning to school on _____. I understand that my student will not receive any work before vacation, but will have the same number of days missed to make up the work. If additional assistance is needed by the teacher to re-teach a skill, I understand that an appointment can be made after school and a fee per hour will be charged.
